Extended Enrichment - Lunch Bunch

We will offer an Extended Enrichment class on Monday – Friday for children enrolled in the NUMPS Preschool program. Read on for details about the program.

Who May Attend? – Your child may attend on ***any day they are enrolled*** for preschool. This is an extension of the classroom learning environment; same daily concepts taught through different activities by a different teacher. This is not daycare and there will be structure in the classroom.

Monthly Tuition - 1 Day a week = $70/month **2 Days a week** = $140/month
3 Days a week= $210/month **4 Days a week** = $280/month **5 Days a week** = $350/month

What your child needs to bring: A lunch – No Fast Food or food which needs to be warmed or cooked. A drink should be included with the lunch. A snack will not usually be served during Extended Enrichment. History indicates that when a snack is served the students did not eat their lunch very well. Your child will receive their regular snack during their preschool class snack time.

First Day – Wednesday, August 11th.

Schedule – The Extended Enrichment will operate on a similar schedule to that of the Preschool. There may be occasional days when the preschool schedule will force the cancellation of the Extended Enrichment. These dates will be announced in advance.

To enroll for a permanent position, please complete the form below and return to the preschool office. Enrollment will be based on a first come basis. For Drop-In enrollment, contact the preschool office to determine if space is available prior to the day needed.
